## Specification Sheet

|                          |                     |
|--------------------------|---------------------|
| Product Name:            | <b>Neticonazole</b> |
| Specifications & Purity: | 99%                 |
| SKU #                    | <b>N413224</b>      |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 99-100 (%)            |
| Proton NMR spectrum      | Conforms to Structure |
| LC-MS for identification | Conforms              |
