## Specification Sheet

|                          |                                                    |
|--------------------------|----------------------------------------------------|
| Product Name:            | <b>N-Benzyl-2-bromo-N-(2-bromoethyl)ethanamine</b> |
| Specifications & Purity: | ≥95%                                               |
| SKU #                    | <b>N693941</b>                                     |

| Parameter                | Limit Values                       |
|--------------------------|------------------------------------|
| Appearance(N693941)      | Colorless to light yellow (Liquid) |
| LC-MS for identification | Conforms                           |
| Proton NMR spectrum      | Conforms to Structure              |
| Purity(GC)               | 95-100 (%)                         |
