

## Specification Sheet

|                          |                                 |
|--------------------------|---------------------------------|
| Product Name:            | <b>N-Isopropylhydroxylamine</b> |
| Specifications & Purity: | ≥15% aqueous solution           |
| SKU #                    | <b>N694640</b>                  |

| Parameter                 | Limit Values          |
|---------------------------|-----------------------|
| Assay                     | ≥15 (%)               |
| Water by Karl Fischer     | ≤85 (%)               |
| Solvent(H <sub>2</sub> O) | Conform               |
| Infrared spectrum         | Conforms to Structure |
