Specification Sheet

Product Name: **2-Naphthalenethiol**
Specifications & Purity: **≥97%**
SKU #: **N753532**

Parameter	Limit Values
Appearance(N753532)	White to Cream to Faint beige to Pale yellow flakes or powder or crystals or crystalline powder
Purity(GC)	97-100 (%)
Melting point	79-83 (°C)
Infrared spectrum	Conforms to Structure
Solubility in hot MeOH	almost transparency
