## Specification Sheet

Product Name:	$\beta$ -Glucanase from Trichoderma sp.
SKU #:	np226943
Version:	1
Source:	Native
Specifications & Purity:	Technical grade, $\geq 50$ U/mg powder
Concentration:	$\geq 50$ U/mg powder
Formulation:	Solid
Reconstitution:	
Storage Conditions:	Store at 2-8°C

Parameter	Limit Values
Appearance(np226943)	White to yellowish brown solid powder or particles, no caking and deliquescence
Odor	Possesses the inherent fermentation aroma of the product, with no off-odor
Unit enzyme activity (enzyme powder)	$\geq 50$ (U/mg)
Fineness (100% Pass through 0.84mm mesh)	Conform
Fineness (Pass through 0.42mm mesh)	$\geq 80$ (%)
Loss on drying	$\leq 8$ (%)
