## Specification Sheet

|                          |                                |
|--------------------------|--------------------------------|
| Product Name:            | <b>4-Oxo-2-nonenal (4-ONE)</b> |
| Specifications & Purity: | 95%                            |
| SKU #                    | <b>O274680</b>                 |

| Parameter       | Limit Values          |
|-----------------|-----------------------|
| Purity(HNMR)    | 95-100 (%)            |
| NMR Spectrum 1H | Conforms to Structure |
