## Specification Sheet

|                          |                                |
|--------------------------|--------------------------------|
| Product Name:            | <b>Octafluoroanthraquinone</b> |
| Specifications & Purity: | ≥96%                           |
| SKU #                    | <b>O468085</b>                 |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 96-100 (%)            |
| LC-MS for identification | Conforms              |
| Fluorine NMR Spectrum    | Conforms to Structure |
