## Specification Sheet

|                          |                                                    |
|--------------------------|----------------------------------------------------|
| Product Name:            | <b>Sodium 2-oxaspiro[3.3]heptane-6-carboxylate</b> |
| Specifications & Purity: | ≥97%                                               |
| SKU #                    | <b>O682722</b>                                     |

**Parameter**

NMR Spectrum 1H

Purity(HPLC area)

LC-MS for identification

ICP: Confirms Sodium Component

**Limit Values**

Conforms to Structure

97-100 (%)

Conforms

Confirmed
