## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>[2,3'-Bipyridin]-6'(1'H)-one</b> |
| Specifications & Purity: | <b>≥98%</b>                         |
| SKU #                    | <b>O710613</b>                      |

| Parameter                | Limit Values                 |
|--------------------------|------------------------------|
| Appearance(O710613)      | White to light yellow powder |
| Purity(HPLC area)        | 98-100 (%)                   |
| LC-MS for identification | Conforms                     |
| NMR Spectrum 1H          | Conforms to Structure        |
