14078 Meridian Parkway, Riverside, CA. 92518

Specification Sheet

Product Name: **Periodic acid**
Specifications & Purity: for electrophoresis, $\geq 99\%$
SKU #: **P104610**

Parameter	Limit Values
Purity(redox titration)	99-100 (%)
Appearance (P104610Form)	Powder or Crystal
Appearance (P104610Color)	White to almost white
Infrared spectrum	Conforms to Structure
Solubility in H ₂ O , colorless and clear	pass
Suitability test(for staining of glycoprotein)	passes
