

## Specification Sheet

Product Name: **Phthalimide potassium salt**  
Specifications & Purity: **> 98%**  
SKU #: **P106220**

| Parameter                                                                            | Limit Values                                 |
|--------------------------------------------------------------------------------------|----------------------------------------------|
| Purity(Titration by HClO <sub>4</sub> )                                              | 98-100 (%)                                   |
| Appearance (P106220)                                                                 | White to off-white or yellow powder , chunks |
| Proton NMR spectrum                                                                  | Conforms to Structure                        |
| Solubility in H <sub>2</sub> O , Colorless to Yellow,Clear to Slightly Hazy(50mg/ml) | pass                                         |
