## Specification Sheet

|                          |                                                                       |
|--------------------------|-----------------------------------------------------------------------|
| Product Name:            | <b>3-Pyridineboronic acid (contains varying amounts of Anhydride)</b> |
| Specifications & Purity: | 97%                                                                   |
| SKU #                    | <b>P106882</b>                                                        |

| Parameter            | Limit Values                    |
|----------------------|---------------------------------|
| Appearance (P106882) | White to Tan Powder or Crystals |
| Infrared spectrum    | Conforms to Structure           |
| Proton NMR spectrum  | Conforms to Structure           |
| Purity(HPLC area)    | 97-100 (%)                      |
