

## Specification Sheet

Product Name: **Piperonylnitrile**  
Specifications & Purity: **99%**  
SKU #: **P111439**

| Parameter            | Limit Values                                      |
|----------------------|---|
| Purity(HPLC)         | 97-100 (%)  |
| Melting point        | 91-95 (°C)  |
| Appearance (P111439) | white to light yellow to red-green powde,crystals |
| Proton NMR spectrum  | Conforms to Structure                             |
