

## Specification Sheet

Product Name: **2-Pyrimidinecarbonitrile**  
Specifications & Purity: **98%**  
SKU #: **P121628**

| Parameter            | Limit Values          |
|----------------------|-----------------------|
| Purity(GC)           | 98-100 (%)            |
| Melting point        | 39-43 (°C)            |
| Appearance (P121628) | White to brown solid  |
| Proton NMR spectrum  | Conforms to Structure |
