## Specification Sheet

Product Name: **Pidotimod**  
Specifications & Purity: **≥98%**  
SKU #: **P129379**

| Parameter                                                              | Limit Values                          |
|------------------------------------------------------------------------|---------------------------------------|
| Purity(HPLC)                                                           | 98-100 (%)                            |
| Specific Rotation $[\alpha]_{20/D(c=2 \text{ in } 5\text{mol/L HCl})}$ | -141--131 (°)                         |
| Purity(Neutralization titration)                                       | 98-100 (%)                            |
| Appearance (P129379)                                                   | White to Off-White Powder or Crystals |
| NMR spectrum                                                           | Conforms to Structure                 |
