## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>Phosphorus oxybromide</b> |
| Specifications & Purity: | 94%                          |
| SKU #                    | <b>P140822</b>               |

| Parameter                               | Limit Values                                      |
|-----------------------------------------|---------------------------------------------------|
| Br(Titration by AgNO <sub>3</sub> )     | 78.1-79.1 (%)                                     |
| Purity(Titration by AgNO <sub>3</sub> ) | 94-106 (%)                                        |
| Appearance (P140822)                    | White to Yellow to Brown Powder,Crystals or Solid |
