## Specification Sheet

|                          |                       |
|--------------------------|-----------------------|
| Product Name:            | <b>Platinum oxide</b> |
| Specifications & Purity: | Pt, 80-86%            |
| SKU #                    | <b>P141419</b>        |

| Parameter                          | Limit Values                                                      |
|------------------------------------|-------------------------------------------------------------------|
| Platinum(Pt)(Gravimetric Analysis) | 80-86 (%)                                                         |
| Appearance (P141419)               | Light gray to brown to very dark brown to black powder or crystal |
| ICP: Confirms Platinum Component   | Confirmed                                                         |
| X-Ray Diffraction                  | Conforms to Structure                                             |
