

## Specification Sheet

Product Name: **2-Propylaniline**  
Specifications & Purity: **97%**  
SKU #: **P160189**

| Parameter            | Limit Values              |
|----------------------|---------------------------|
| Purity(GC)           | 97-100 (%)                |
| Density (20°C)       | 0.962-0.965               |
| Appearance (P160189) | colorless to amber liquid |
| Proton NMR spectrum  | Conforms to Structure     |
