## Specification Sheet

|                          |                                 |
|--------------------------|---------------------------------|
| Product Name:            | <b>Pyrrolidine Hydrobromide</b> |
| Specifications & Purity: | 98%                             |
| SKU #                    | <b>P160705</b>                  |

| <b>Parameter</b>                        | <b>Limit Values</b>                                     |
|---|---|
| Appearance(P160705)                     | White to Light yellow to Light orange powder to crystal |
| Purity(Titration by AgNO <sub>3</sub> ) | 97.5-102.5 (%)  |
| NMR Spectrum 1H                         | Conforms to structure                                   |
