Specification Sheet

| | |
|--------------------------|---------------------------------------|
| Product Name: | Phenyl Trifluoromethyl Sulfone |
| Specifications & Purity: | >98.0%(GC) |
| SKU # | P160801 |

| Parameter | Limit Values |
|-------------------------------------|-----------------------|
| Density (20°C) | 1.414-1.418 |
| Purity(GC) | 98-100 (%) |
| Refractive index n ₂₀ /D | 1.462-1.466 |
| Proton NMR spectrum | Conforms to Structure |
