

## Specification Sheet

Product Name: **Pyridine-3,5-diamine**  
Specifications & Purity: **98%**  
SKU #: **P193393**

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 98-100 (%)            |
| Melting point       | 107-112 (°C)          |
| Proton NMR spectrum | Conforms to Structure |
