Specification Sheet

| | |
|--------------------------|---------------------------------|
| Product Name: | Piperidine hydrochloride |
| Specifications & Purity: | 98% |
| SKU # | P194173 |

| Parameter | Limit Values |
|---|---|
| Purity(Titration by AgNO ₃) | 97.5-102.5 (%) |
| Appearance (P194173) | white to off-white powder, crystals and/or chunks |
| Proton NMR spectrum | Conforms to Structure |
