

## PRODUCT IDENTITY

|                 |                                  |                |         |
|-----------------|----------------------------------|----------------|---------|
| PRODUCT NAME    | Particle size reference material | PRODUCT NUMBER | P283822 |
| Grades & Purity | Particle Size: 200nm             | VERSION        | 3       |

## ACCEPTANCE CRITERIA

| PARAMETER     | SPECIFICATION / LIMIT |
|---------------|-----------------------|
| Particle size | 190-210 (nm)          |
