## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | Catechol violet indicator |
| Specifications & Purity: | 0.1%                      |
| SKU #                    | P299248                   |

| Parameter                                                 | Limit Values      |
|-----------------------------------------------------------|-------------------|
| Concentration                                             | 0.1-0.2 (%)       |
| Appearance (P299248)                                      | Dark brown liquid |
| Indicative sensitivity(Pure-blue to Light -yellow)        | Pass              |
| PH Transition interval,6.0 (yellow) to 9.0 (Purplish red) | Conforms          |
