## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | <b>Polyethyleneglycol2-ethylhexylether</b> |
| Specifications & Purity: | <b>PEH-3</b>                               |
| SKU #                    | <b>P303272</b>                             |

| Parameter             | Limit Values      |
|-----------------------|-------------------|
| PH(1% in Water)       | 5-7               |
| Water by Karl Fischer | 0-1 (%)           |
| Hydroxyl value        | 190-210 (mgKOH/g) |
