

## Specification Sheet

Product Name: **Potassium methacrylate**  
Specifications & Purity: 98%  
SKU #: **P304402**

Parameter	Limit Values
Appearance (P304402)	white to Light orange to Light red to light-brown powder to crystal or solid
Proton NMR spectrum	Conforms to structure
ICP:Confirms Potassium Component	Confirmed
Purity(HPLC area)	98-100 (%)
