

## Specification Sheet

Product Name: **5-Phenoxyvaleric Acid**  
Specifications & Purity: **98%**  
SKU #: **P339512**

| Parameter                        | Limit Values                            |
|----------------------------------|-----------------------------------------|
| Appearance(P339512)              | White to Almost white powder to crystal |
| Purity(Neutralization titration) | 97.5-102.5 (%)                          |
| Melting point                    | 62-67 (°C)                              |
| Proton NMR spectrum              | Conforms to Structure                   |
