## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>2-Propylglutaric Acid</b> |
| Specifications & Purity: | ≥98%                         |
| SKU #                    | <b>P345099</b>               |

| Parameter                | Limit Values             |
|--------------------------|--------------------------|
| Appearance(P345099)      | White to Off-White Solid |
| Purity(HPLC)             | 98-100 (%)               |
| Proton NMR spectrum      | Conforms to Structure    |
| LC-MS for identification | Conforms                 |
