## Specification Sheet

|                          |                                       |
|--------------------------|---------------------------------------|
| Product Name:            | <b>Palladium(II) acetate (47% Pd)</b> |
| Specifications & Purity: | for synthesis                         |
| SKU #                    | <b>P432639</b>                        |

**Parameter**

Appearance(P432639)

Palladium(Pd)

ICP: Confirms Palladium Component

Infrared spectrum

**Limit Values**

Orange to Brown Powder

46.44-48.34 (%)

Confirmed

Conforms to Structure
