## Specification Sheet

|                          |                               |
|--------------------------|-------------------------------|
| Product Name:            | <b>Poly(9-vinylcarbazole)</b> |
| Specifications & Purity: | average Mn 150000~300000      |
| SKU #                    | <b>P494058</b>                |

| Parameter           | Limit Values                                        |
|---------------------|-----------------------------------------------------|
| Appearance(P494058) | White to Pale Yellow Powder or Flakes and/or Chunks |
| Infrared spectrum   | conforms to structure                               |
| Molecular Weight    | 150000-300000                                       |
