

## Specification Sheet

Product Name: **poly(butyl acrylate)**  
Specifications & Purity: **650kDa**  
SKU #: **P767457**

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Molecular weight    | 610-700 (KDa)         |
| NMR Spectrum 1H     | Conforms to Structure |
| Appearance(P767457) | colorless liquid      |
| Solvent(THF)        | Conform               |
| Solid Content       | 4-6 (%)               |
