

## Specification Sheet

Product Name: **poly(ethyl methacrylate-r-hydroxyethyl methacrylate) random copolymer**  
Specifications & Purity: **38kDa;hydroxyethyl methacrylate 10 mol%**  
SKU #: **P774166**

| Parameter                                     | Limit Values          |
|-----------------------------------------------|-----------------------|
| Infrared spectrum                             | Conforms to Structure |
| Molecular weight                              | 35-40 (KDa)           |
| concentration(hydroxyethyl methacrylate)(mol) | 8-12 (%)              |
