

## Specification Sheet

|                          |                                      |
|--------------------------|--------------------------------------|
| Product Name:            | <b>Potassium oxalate monohydrate</b> |
| Specifications & Purity: | ≥99.9% metals basis                  |
| SKU #                    | <b>P777320</b>                       |

| Parameter                                       | Limit Values             |
|-------------------------------------------------|--------------------------|
| Total Metallic Impurities                       | 0-1000 (ppm)             |
| Purity(Based on Trace Metals Impurities of ICP) | 99.9-100 (%)             |
| X-Ray Diffraction                               | Conforms to Structure    |
| Appearance(P777320)                             | White Powder or Crystals |
| Infrared spectrum                               | Conforms to Structure    |
