

## Specification Sheet

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Product Name:            | <b>Quinoxalin-6-ylmethanamine hydrochloride</b> |
| Specifications & Purity: | ≥95%                                            |
| SKU #                    | <b>Q586895</b>                                  |

| Parameter                               | Limit Values          |
|-----------------------------------------|-----------------------|
| Purity(Titration by AgNO <sub>3</sub> ) | 94.5-105.5 (%)        |
| Proton NMR spectrum                     | Conforms to Structure |
| LC-MS for identification                | Conforms              |
