

## Specification Sheet

Product Name: **4-Quinolylmethanol**  
Specifications & Purity: **≥95%**  
SKU #: **Q694718**

| Parameter                | Limit Values               |
|--------------------------|----------------------------|
| Appearance(Q694718)      | White to off-white (Solid) |
| Purity(GC)               | 95-100 (%)                 |
| GC-MS for identification | Conforms                   |
| Proton NMR spectrum      | Conforms to Structure      |
