## Specification Sheet

|                          |                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------|
| Product Name:            | (R)-(+)-1-[(R)-2-(2'-Di-3,5-xylylphosphinophenyl)ferrocenyl]ethyl-di-3,5-xylylphosphine |
| Specifications & Purity: | 97%                                                                                     |
| SKU #                    | R282450                                                                                 |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| NMR Spectrum 1H     | Conforms to structure |
| Purity(HPLC area)   | 97-100 (%)            |
| Enantiomeric Excess | 99-100 (%)            |
