## Specification Sheet

|                          |                                       |
|--------------------------|---------------------------------------|
| Product Name:            | <b>Rhodium(III) nitrate dihydrate</b> |
| Specifications & Purity: | 95%                                   |
| SKU #                    | <b>R339896</b>                        |

| Parameter                       | Limit Values |
|---------------------------------|--------------|
| Assay(As Rh)                    | 95-100 (%)   |
| ICP: Confirms Rhodium Component | Confirmed    |
