## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>(R)-Trichostatic Acid</b> |
| Specifications & Purity: | ≥98%(HPLC)                   |
| SKU #                    | <b>R405029</b>               |

| Parameter                                             | Limit Values                               |
|-------------------------------------------------------|--------------------------------------------|
| Appearance(R405029)                                   | White to Orange to Green powder to crystal |
| Purity(HPLC area)                                     | 98-100 (%)                                 |
| NMR Spectrum 1H                                       | Conforms to Structure                      |
| Specific Rotation [α] <sub>20</sub> /D(c=0.3 in MeOH) | 135-153 (°)                                |
