## Specification Sheet

|                          |                                    |
|--------------------------|------------------------------------|
| Product Name:            | <b>Ruthenium on carbon</b>         |
| Specifications & Purity: | extent of labeling: 5wt. % loading |
| SKU #                    | <b>R475386</b>                     |

| Parameter                         | Limit Values |
|-----------------------------------|--------------|
| ICP: Confirms Ruthenium Component | Confirmed    |
| Water by Karl Fischer             | 0-10 (%)     |
| Content(Ruthenium)(on dry base)   | 4.9-5.1 (%)  |
| Matrix,Carbon support             | Conforms     |
