## Specification Sheet

|                          |                                                                                |
|--------------------------|--------------------------------------------------------------------------------|
| Product Name:            | Recombinant Human DR3/TNFRSF25 Protein                                         |
| SKU #:                   | rp145258                                                                       |
| Version:                 | 1                                                                              |
| Source:                  | Recombinant                                                                    |
| Specifications & Purity: | Animal Free, Carrier Free, Bioactive, Azide Free, ActiBioPure™, ≥95%(SDS-PAGE) |
| Concentration:           |                                                                                |
| Formulation:             | Lyophilized                                                                    |
| Reconstitution:          | Reconstitute in sterile water to a concentration of 0.1-0.5 mg/ml.             |
| Storage Conditions:      | Store at -20°C, Avoid repeated freezing and thawing                            |

| Parameter                | Limit Values             |
|--------------------------|--------------------------|
| Appearance(rp145258)     | White lyophilized powder |
| Molecular Weight         | 50-60(kD)                |
| Purity(SDS-PAGE)         | 95-100(%)                |
| Activity(ED50)           | 0-2.4(μg/ml)             |
| Endotoxin Level <1 EU/μg | Conform                  |
