## Specification Sheet

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Product Name:            | Recombinant Human IL-36 gamma/IL-1F9 Protein                                         |
| SKU #:                   | rp147577                                                                             |
| Version:                 | 1                                                                                    |
| Source:                  | Recombinant                                                                          |
| Specifications & Purity: | Animal Free, Carrier Free, Bioactive, High performance, ActiBioPure™, ≥95%(SDS-PAGE) |
| Concentration:           |                                                                                      |
| Formulation:             | Lyophilized                                                                          |
| Reconstitution:          | Reconstitute in sterile water to a concentration of 0.1-0.5 mg/ml.                   |
| Storage Conditions:      | Store at -20°C, Avoid repeated freezing and thawing                                  |

| Parameter                | Limit Values             |
|--------------------------|--------------------------|
| Appearance(rp147577)     | White lyophilized powder |
| Molecular Weight         | 13.6-20.4(kD)            |
| Purity(SDS-PAGE)         | 95-100(%)                |
| Activity(ED50)           | 1.5-9.0(ng/ml)           |
| Endotoxin Level <1 EU/μg | Conform                  |
