## Specification Sheet

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Product Name:            | Recombinant Human IL-17RD/SEF Protein                              |
| SKU #:                   | rp168081                                                           |
| Version:                 | 1                                                                  |
| Source:                  | Recombinant                                                        |
| Specifications & Purity: | Animal Free, Carrier Free, ≥95% (SDS-PAGE)                         |
| Concentration:           |                                                                    |
| Formulation:             | Lyophilized                                                        |
| Reconstitution:          | Reconstitute in sterile water to a concentration of 0.1-0.5 mg/ml. |
| Storage Conditions:      | Store at -20°C, Avoid repeated freezing and thawing                |

| Parameter                  | Limit Values             |
|----------------------------|--------------------------|
| Appearance(rp168081)       | White lyophilized powder |
| Molecular Weight           | 55-63(kD)                |
| Purity(SDS-PAGE)           | 95-100(%)                |
| Endotoxin Level <0.1 EU/μg | Conform                  |
