| Product Name:            | Recombinant Human beta III Tubulin Protein                                                                                                                                                                                                                                                                                |
| SKU #:                   | rp183753                                                                                                                                                                                                                                                                                                                  |
| Version:                 | 1                                                                                                                                                                                                                                                                                                                         |
| Source:                  | Recombinant                                                                                                                                                                                                                                                                                                               |
| Specifications & Purity: | Carrier Free, ≥90%(SDS-PAGE)                                                                                                                                                                                                                                                                                              |
| Concentration:           |                                                                                                                                                                                                                                                                                                                           |
| Formulation:             | Lyophilized                                                                                                                                                                                                                                                                                                               |
| Reconstitution:          | We recommend that this vial be briefly centrifuged prior to opening to bring the contents to the bottom.<br>Reconstitute at 1.0 mg/mL in sterile distilled water. Stock solutions should be apportioned into working aliquots and stored at ≤ -20 °C. Further dilutions should be made in appropriate buffered solutions. |
| Storage Conditions:      | Store at -20°C, Avoid repeated freezing and thawing                                                                                                                                                                                                                                                                       |

| Parameter            | Limit Values              |
|----------------------|---------------------------|
| Appearance(rp183753) | White to off-white powder |
| Molecular Weight     | 47.4-58.0(kD)             |
| Purity(SDS-PAGE)     | 90-100(%)                 |
