| Version:                 | 1                                                                                                                                                                                                                                                                                                                         |
| Source:                  | Recombinant                                                                                                                                                                                                                                                                                                               |
| Specifications & Purity: | Animal Free, Carrier Free, PBS Only, ≥95% (SDS-PAGE), See COA                                                                                                                                                                                                                                                             |
| Concentration:           | See COA                                                                                                                                                                                                                                                                                                                   |
| Formulation:             | Lyophilized                                                                                                                                                                                                                                                                                                               |
| Reconstitution:          | We recommend that this vial be briefly centrifuged prior to opening to bring the contents to the bottom.<br>Reconstitute at 0.1 mg/mL in sterile distilled water. Stock solutions should be apportioned into working aliquots and stored at ≤ -20 °C. Further dilutions should be made in appropriate buffered solutions. |
| Storage Conditions:      | Store at -20°C, Avoid repeated freezing and thawing                                                                                                                                                                                                                                                                       |

| Parameter                | Limit Values              |
|--------------------------|---------------------------|
| Appearance(rp188449)     | White to off-white powder |
| Molecular Weight         | 50.5-61.7(kD)             |
| Purity(SDS-PAGE)         | 95-100(%)                 |
| Endotoxin Level <1 EU/μg | Conform                   |
