| Product Name:            | Recombinant Human Betacellulin Protein                                                                                                                                                                                                                                                                                 |
| SKU #:                   | rp215067                                                                                                                                                                                                                                                                                                               |
| Version:                 | 1                                                                                                                                                                                                                                                                                                                      |
| Source:                  | Recombinant                                                                                                                                                                                                                                                                                                            |
| Specifications & Purity: | Carrier Free, Bioactive, High performance, ActiBioPure™, PBS Only, ≥95% (SDS-PAGE)                                                                                                                                                                                                                                     |
| Concentration:           |                                                                                                                                                                                                                                                                                                                        |
| Formulation:             | Lyophilized                                                                                                                                                                                                                                                                                                            |
| Reconstitution:          | We recommend that this vial be briefly centrifuged prior to opening to bring the contents to the bottom. Reconstitute at 0.5 mg/mL in sterile distilled water. Stock solutions should be apportioned into working aliquots and stored at ≤ -20 °C. Further dilutions should be made in appropriate buffered solutions. |
| Storage Conditions:      | Store at -20°C, Avoid repeated freezing and thawing                                                                                                                                                                                                                                                                    |

| Parameter                | Limit Values              |
|--------------------------|---------------------------|
| Appearance(rp215067)     | White to off-white powder |
| Molecular Weight         | 12.2-18.2(kD)             |
| Purity(SDS-PAGE)         | 95-100(%)                 |
| Endotoxin Level <1 EU/μg | Conform                   |
| Activity(ED50)           | 0-2(ng/ml)                |
