## Specification Sheet

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Product Name:            | Annexin V-AF405                                                                          |
| SKU #:                   | rp225999                                                                                 |
| Version:                 | 1                                                                                        |
| Source:                  | Recombinant                                                                              |
| Specifications & Purity: | BioReagent, Suitable for Immunofluorescence, Biological Stain, for microscopy, 5 µL/test |
| Concentration:           | 5 µL/test                                                                                |
| Formulation:             | Liquid                                                                                   |
| Reconstitution:          |                                                                                          |
| Storage Conditions:      | Protected from light, Store at 2-8°C. Do Not Freeze                                      |

| Parameter                | Limit Values      |
|--------------------------|-------------------|
| Appearance(rp225999)     | Colourless liquid |
| Cell Apoptosis Detection | Conform           |
