## Specification Sheet

Product Name: **Silver metavanadate**  
Specifications & Purity: 98%  
SKU #: **S100249**

| Parameter                     | Limit Values          |
|-------------------------------|-----------------------|
| Assay(AgVO <sub>3</sub> )     | 98-100 (%)            |
| Soluble salts                 | 0-0.5 (%)             |
| Oxygen by Elemental Analysis  | 22.2-23.7 (%)         |
| Absorbility of sulfur dioxide | ≥2.5 (%)              |
| X-Ray Diffraction             | Conforms to Structure |
