## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>Strontium dichloride hexahydrate</b> |
| Specifications & Purity: | PrimorTrace™, ≥99.99% metals basis      |
| SKU #                    | <b>S110516</b>                          |

| Parameter                                       | Limit Values                       |
|-------------------------------------------------|------------------------------------|
| Purity(Based on Trace Metals Impurities of ICP) | 99.99-100 (%)                      |
| Trace Metal Analysis                            | 0-200 (ppm)                        |
| Titration by AgNO3 (% Cl)                       | 25.3-27.9 (%)                      |
| Appearance (S110516)                            | White Powder or Crystals or Chunks |
| ICP: Confirms Strontium Component               | Confirmed                          |
| X-Ray Diffraction                               | Conforms to Structure              |
