Specification Sheet

Product Name: **Sodium nitrate**
Specifications & Purity: 99.99% metals basis
SKU #: **S111651**

Parameter

Purity(Based on Trace Metals Impurities of ICP)
Trace Metal Analysis
Appearance (S111651)
ICP:Confirms Sodium Component
Solubility in H₂O , Colorless Clear 20 g plus 100 ml
X-Ray Diffraction

Limit Values

99.99-100 (%)
0-200 (ppm)
White Powder or Crystals
Confirmed
pass
Conforms to Structure
