## Specification Sheet

Product Name: **6201 Pink diatomite**  
Specifications & Purity: 60-80mesh  
SKU # **S116953**

| Parameter              | Limit Values    |
|------------------------|-----------------|
| Effective plate number | ≥800            |
| bulk density           | 0.4-0.55 (g/ml) |
| Particle size          | 60-80 (mesh)    |
| Specific Surface Area  | 4-5             |
| Appearance (S116953)   | Red particles   |
